	<p>GAS FIRED APPLIANCE FIELD APPROVAL ENEFEN ENERGY EFFICIENCY ENGINEERING LTD.</p> <p><small>ENEFEN is accredited by the Standards Council of Canada as an Inspection Body for gas-fired appliances and equipment. Gas and electrical safety evaluation based on Canadian codes requirements outlined in CAN-P-1608 Appendix C. This approval represents the results of a single field inspection and is not a product certification. This approval is void if this appliance is altered or relocated. ENEFEN est accrédité par le Conseil Canadien des Normes en tant qu'Organisme d'Inspection pour les appareils et équipement à gaz. L'évaluation de la sécurité du gaz et électrique est basée sur les exigences des codes canadiens énoncés à l'annexe C du CAN-P-1608. Cette approbation représente les résultats d'une seule inspection sur le terrain et ne constitue pas une certification du produit. Cette approbation est nulle si cet appareil est modifié ou déplacé.</small></p>

Inspection Body Type C:

This is a type C inspection body in accordance with ISO/IEC 17020:2012, Annex A which provides first party inspections, second party inspections, or both, which form an identifiable but not necessarily a separate part of an organization involved in the design, manufacture, supply, installation, use or maintenance of the items it inspects and which supplies inspection services to its parent organization or to other parties, or to both.

Subject Area of Accreditation:

The performing of inspection evaluations based on Canadian code requirements for safety and suitability of one-of a-kind and limited run commercial and industrial gas-fired appliances and equipment that may be designed for installation at a specific site or assembled on-site, the application of approval labels on the appliances and equipment, and the issuance of an inspection certificate or report in accordance with the relevant requirements identified in the scope of CAN-P-1608 Appendix C.
